Applicant: Artmeier  
Appl. No.: 10/764,346  
Filing Date: January 23, 2004  
Title: UROLOGICAL WORKING PLACE  
Attorney Docket No.: 08340.105017  
Pub. No.: US 2005/0053198 A1  
Pub. Date: March 10, 2005

This is a decision on the request for a corrected patent application publication under 37 CFR 1.221(b), filed on August 24, 2005, for the above-identified application.

The request is DISMISSED.

The instant request is that the application be republished because the patent application publication contains the contents of the English translation of the German priority document submitted for the application and not the contents of the application as filed.

37 CFR 1.221 (b) is applicable "only when the Office makes a material mistake which is apparent from Office records.... Any request for a corrected publication or revised patent application publication other than provided as provided in paragraph (a) of this section must be filed within two months from the date of the patent application publication. This period is not extendable."

The request for corrected publication received on October 6, 2005, was not timely filed under 37 CFR 1.221 (b).

Due to the nature of the errors in this publication, the office will *sua sponte* publish a corrected patent application publication. The corrected patent application publication will be published in due course, unless the application is allowed and the patent issues before the application is republished.
